ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF HIMALAYA GRANITES LIMITED

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

To the Members of Himalaya Granites Limited

We have audited the internal financial controls over financial reporting of HIMALAYA GRANITES LIMITED ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

**INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

1 DISCLOSURE OF ACCOUNTING POLICIES (AS – 1):

1.01 Accounting concepts & Basis of Preparation :

The financial Statements are prepared in accordance with the Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as specified in the Company (Accounting Standards) Rules 2006 read with Rule 7(1) of the Companies (Accounts) Rules, 2014 and the provisions of the Companies Act, 2013. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The Company's management evaluates all recently issued or revised accounting standards on an on-going basis.

The Normal Operating Cycle for the Company has been assumed to be of twelve months for classification of its various assets and liabilities onto "Current" and "Non-current".

1.02 Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

2 VALUATION OF INVENTORIES (AS – 2):

2.1 Stock of Raw Materials, Consumables and Stores and spare are valued at lower of cost or net realisable value. Cost represents purchase price and other costs for bringing inventories upto their present location and condition and is generally determined on weighted average basis.

2.2 Finished goods are valued at lower of cost and net realisable value.

3 CASH FLOW STATEMENT (AS – 3):

Cash flows are reported using indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from regular revenue generating, financing and investing activities of the Company is segregated. Cash and cash equivalents in the balance sheet comprise cash at bank (excluding pledged term deposits), cash/cheques in hand and short term investments with an original maturity of three months or less.

4 CONTINGENCIES AND EVENTS OCCURRING AFTER BALANCE SHEET DATE (AS – 4):

Disclosure of contingencies as required by the accounting standard is furnished in the Notes on accounts.

5 DEPRECIATION (AS – 6):

Useful lives of Tangible Assets as notified in schedule II to the Companies Act, 2013 are as follows :

Buildings – 30 to 60 years

Plant & Equipments – 10 to 15 years

Electrical Fittings – 10 years

Furniture & Fixtures – 10 years

6 REVENUE RECOGNITION (AS – 9):

6.2 Interest income is recognized from time proportion basis taking into account the amount outstanding and rate applicable.

6.3 Rental income is recognised on accrual basis.

7 ACCOUNTING FOR FIXED ASSETS (AS – 10):

Fixed assets are stated at cost less accumulated depreciation. Cost includes borrowing costs and all incidental expenditure net of CENVAT, Service Tax Input Credit and VAT input credit, wherever applicable.

8 EMPLOYEE BENEFITS (AS – 15):

8.1 Short-term employee benefits are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related service is rendered.

8.2 Post Employment and other long term employee benefits are charged off in the year in which the employee has rendered services. The amount charged off is recognised at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial gains and losses in respect of past employment and other long term benefits are charged to the Statement of Profit and Loss.

9 RELATED PARTY DISCLOSURES (AS – 18):

Disclosure of related parties as required by the accounting standard is furnished in the Notes on accounts.

10 EARNINGS PER SHARE (AS – 20):

Basic earnings (loss) per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

11 ACCOUNTING FOR TAXES ON INCOME (AS – 22):
